### Additional Lyrics

2. Going through emotions,  
Ending up on a frozen morning  
With a heart not even broken. *(To Chorus)*
3. Find a place to settle down,  
Get a job in a city nearby  
And watch the trains roll on by.
4. I'll find the falling star.  
I'll fall in love with the eyes of a dreamer  
And a dream worth believing. *(To Chorus)*
